Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Friday 02 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and feeling warm.

Today:
A dry start with sunny spells through the morning. Perhaps an isolated shower in the north and east into midday, with cloud increasing from the southwest through the afternoon. Feeling very warm in sunshine towards the east. Maximum temperature 23 deg C (73 deg F).

Tonight:
Cloud spreads widely across the region during the evening with outbreaks of showery rain in the west. Outbreaks of showery rain, at times heavy passes through all parts overnight. Minimum temperature 12 deg C (54 deg F).

Saturday:
A cloudy start with further outbreaks of rain at times through the morning. Sunny spells developing into the afternoon along with isolated showers, locally heavy and perhaps thundery. Feeling warm. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Sunny spells and heavy showers, locally thundery on Sunday. Increasing cloud through Monday with outbreaks of heavy rain through the afternoon. Blustery with sunny spells and showers on Tuesday.
